

Infant Wish List

At The Hospital for Sick Children donations play a special role in the treatment and care of patients. Each item below has been selected to meet the hospitals infection control policies and the unique needs of our infant population.

Beneficial Toys

- Infant links
- Activity triangles
- Good quality rattles and soothers
- Sock / wrist rattles
- Small board books (Examples: Goodnight Moon, The Hungry Caterpillar)

Development Play Toys

- Stacking cups
- Rainfall rattle
- All plastic cars
- Shape sorters

Stimulation Toys

- Ocean Wonders Aquarium
- Laugh & Learn Phone
- All plastic mobiles
- Musical all plastic toys
- Light-up all plastic toys
- Sound machines
